1 would forward these e-mails to Mr. Manzo.

2 A. Okay.

3 Q. Do you recall what it said upon Tom
4 Miyano's business card that he gave to you in
5 November of '06, other than his name?

6 A. His name and also the company, Hitec
7 Machinery or Hitec International. Anyway, it
8 included Hitec.

9 Q. Do you recall whether or not the winged M
10 logo was on the business card?

11 A. No, that's not on Mr. Miyano's name card.

12 Q. During the meeting in November of '06,
13 was it clear to you that Tom Miyano was using his
14 family name in connection with his business at that
15 time?

16 MR. MANZO: Object to the form.

17 A. He said Tom Miyano. Maybe he didn't say
18 anything. I just received the name card.

19 BY MR. BAKER:

20 Q. Actually, I'm asking for what you
21 perceived. Did you perceive that Tom Miyano was
22 using his family name in connection with his
23 business in November of 2006?

24 MR. MANZO: Same objection.

25 A. I don't know.

1 Q. Only one mark?

2 A. No, he didn't say that.

3 INTERPRETER: Counsel, in Japanese, there
4 is no distinction between singular and plural. So
5 if I said logo mark, it could potentially be logo
6 marks. You have to clarify that.

7 MR. MANZO: I'm trying to do that.

8 MR. BAKER: Good luck.

9 MR. MANZO: Thank you.

10 MR. BAKER: You're welcome.

11 BY MR. MANZO:

12 Q. So is it your understanding, Mr. Saito,
13 that Tom Miyano was speaking about only one mark?

14 A. No, he talked about logo mark. At that
15 time, I wasn't clear, I didn't have a clear
16 understanding, but my understanding was that it was
17 either 1 or 3 or 4. Anyway, the logo marks which
18 had the R mark affixed to them in the U.S.A.

19 Q. The R symbol or R mark?

20 A. Yes.

21 MR. MANZO: The last question that I
22 asked was intended to clarify whether he meant the
23 R symbol on one hand or the R mark on the other
24 hand. Which did he mean?

25 A. Well, if you ask me as to what my

1 understanding is, I don't know. Are you saying
2 that there is a 2, that there is an R, and there is
3 an R in a circle?

4 MR. MANZO: I just want to know what he
5 meant.

6 A. Well, my understanding when I say R mark,
7 is that the design thereof has been registered.

8 BY MR. MANZO:

9 Q. Thank you.

10 MR. BAKER: Ed, one thing I wanted to
11 make sure I understood, is this 17493 and -- those
12 were produced to us back in the states some
13 days/weeks ago. I don't know when.

14 MR. SMALLEY: Weeks.

15 MR. BAKER: Okay. I just wanted to make
16 sure. I wanted to make sure they weren't different
17 from what was produced. Thank you.

18 (Exhibit 65 marked for identification.)

19 BY MR. MANZO:

20 Q. Mr. Saito, I hand you what has been
21 marked as Exhibit 65. Can you tell us what this
22 document is, please.

23 A. Yes, this was our response to the request
24 made by Mr. Miyano on November 7. That is down at
25 the bottom there. And the one at the top is a

1 reply from Steven Miyano saying that he had
2 received our response.

3 Q. So Exhibit 65 then shows two
4 communications; is that what you're saying?

5 A. Yes, showing my reply and then a response
6 from Mr. Miyano on receiving that.

7 Q. Mr. Saito, I see that at the top of
8 Exhibit 65, your name, your sur name, family name,
9 has an H at the end. Is that the correct spelling?

10 A. No, what's the correct registered name is
11 without the H.

12 MR. BAKER: It is on the top of 64 as
13 well.

14 BY MR. MANZO:

15 Q. But does that mean you?

16 A. Yes, it is me.

17 Q. Okay. Let's talk first about the Miyano
18 response; that is to say, the company response to
19 Tom Miyano that you've identified at the bottom of
20 Exhibit 65. Are you the author of that response?

21 A. Yes, it was me.

22 Q. And what is the date that it was sent?

23 A. On the 14th of November, 2006.

24 Q. I see near the bottom of the first page
25 of Exhibit 65 Nos. 1 through 8, and before that,

1 there are paragraphs written in Japanese. I would
2 like you, Mr. Interpreter, to give us the English
3 language version of those unnumbered paragraphs,
4 please.

5 INTERPRETER: Counsel, therefore, I would
6 stop when I get to the 1?

7 MR. MANZO: Yes.

8 INTERPRETER: (Speaking Japanese).

9 MR. MANZO: I'm asking for you to
10 translate.

11 MR. BAKER: He is explaining what he is
12 doing.

13 MR. MANZO: Go ahead.

14 INTERPRETER: (Speaking Japanese).

15 MR. MANZO: Do you have a problem with
16 that, Counsel?

17 MR. BAKER: Depends on what "that" means.

18 MR. MANZO: Request for the --

19 MR. BAKER: Not in the least.

20 INTERPRETER: (Speaking Japanese). "I
21 was very happy to see you in good health when we
22 were able to meet after quite a long time the other
23 day at JIMTOF. Thank you very much. In regard to
24 the proposals you made at that time regarding the
25 matters below I have considered those in

1 association with those concerned as soon as
2 possible. However, unfortunately, I'm afraid to
3 say at the present point in time, I have to convey
4 to you that we have refused in regard to all of
5 those items."

6 MR. BAKER: Does that bring us to No. 1?

7 INTERPRETER: Oh, there is one more line,
8 I'm sorry. "I hope that you will take under
9 consideration these circumstances."

10 MR. MANZO: Can you now translate
11 paragraphs 1 through 8, please?

12 INTERPRETER: 1. "Minority procurement."
13 2, "MMU management." 3, "Mr. Takeo Kobayashi." 4,
14 "MMU logo mark" or "MMU logo marks." I can't tell
15 from the Japanese. 5, "LS/12C drawings." 6,
16 "Kitakami dormitory." 7, "Hybrid axle system." 8,
17 "Development advice."

18 MR. MANZO: And the bottom short mark --

19 INTERPRETER: Two characters?

20 MR. MANZO: I don't know if it's 2 or
21 more.

22 INTERPRETER: It is a notation in
23 Japanese that says, "That's it. No more."

24 MR. MANZO: Okay, thank you.
